# Message from Director's Desk

Dear Parents,

**“Discipline is the bridge between goals and accomplishments.”**

As the director of our school I assure that each and every child of our school grows up with a sense of care and concern for society and environment. Our school encourages a wide spectrum of activities including service to the community through Creativity, Action and Service Programmes.

As you go through the following pages you will get a glimpse of the standard of education, facilities and other services offered by our school.

May the child blossom into a genius, a masterpiece and a bright star, who will bring honour and fame to home, school, community, country and the entire world.

On behalf of the management, staff and students of this vibrant institution, I extend a cordial welcome to your child and you.

With warm regards and best wishes

Director

# Message from Principal's Desk

Schools for centuries have shaped the destinies of people. They've immense power for changing the course of history dynamics of business, and the relativity of human emotions.

Where school ends real life begins. In school we're taught a lesson and the give test in life , we're given a test that teaches us a lesson.

We try our maximum to increase students' understanding of the world around them. Children are encouraged to aim high and guided to do their best in everything. Activities within the classroom and outside seek to make education an enjoyable experience, synthesizing the best of teaching practices with India's rich heritage.

A well – rounded education is crucial for children's overall development. The school facilitates this by encouraging students to participate in sports and games, cultural events, performance, educational trips, fairs, festival celebrations and similar innovative and enriching activities.

A school is what its students achieve. The students have done exceptionally well in the examinations and gained admission in prestigious colleges / institutions.

We welcome you to join our family to explore a new way of learning.

Principal
